The Massachusetts Registry of Vehicles (RMV) is in the initial planning stage toward accepting electronic signatures from insurance agents, carriers, and auto dealers on specific RMV forms.

The RMV has published [draft guidelines](#) in the [Electronic Vehicle Registration](#) section of the [Business Partner Website](#) regarding use of both electronic signatures and eSignatures as a first step toward establishing an electronic signature policy.

The RMV is hosting two webinars on Wednesday, July 22, to discuss the [draft electronic signature guidance](#), answer your questions, and establish timing for introducing an electronic signature policy based on feedback from our business partners.

Participants can choose between two different webinar times: 11:00 a.m. OR 1:00 p.m.

Participants can join the webinar by registering for one session only, using the appropriate link below.
