As 2020 nears to a close, we at your Association continue to field calls from our members regarding a host of important dealership issues, especially on common tax matters, IT security concerns, and trying to get through the Coronavirus crisis safely for employees and customers alike.

To address questions from our member dealers, no virus can keep us from our annual summit with blumshapiro, an MSADA associate member, for dealers and their office managers and controllers.

Although this year we will not be at the Verve Hotel, our 2020 event will be held virtually on Tuesday, December 15, 2020, 10:00 a.m. – 12:00 p.m.

Use this [link](#) to register today. This is complimentary for MSADA members and their staff.

Do not pass up this wonderful opportunity, sponsored by your MSADA, to protect your dealership and get a handle on a number of issues affecting our industry presently. Should you require any additional information, please do not hesitate to contact us.
